Prior to approval there was a discussion regarding the cost (\$314.44) of a new mat for a police car. Mr. Wynn advised the Board that this item was a special order and could not be returned. Mr. Grunmeier stated, "This is an abuse of township money and, as a taxpayer, I think it is idiotic and ridiculous to put a \$314.44 mat in a car, when you can purchase a throw in mat for \$18.00." Motion was made by Mr. Grunmeier to pay bills when due, with his comments noted in the minutes as stated; motion seconded by Mrs. Kelly and carried unanimously.

The Chief thanked the Board for their support and asked for continued support in the coming year.

2. Juvenile Aid Panel - Meetings will be held on January 15, 21, 22 and 29, 1986. Mr. Grunmeier indicated that this panel would be a great benefit to the Township and would allow officers the time to patrol the Township.

Copies of order and notice of election have been posted at Police Dept., Road Dept., and Municipal Bldg.

H. PUBLIC COMMENT:

1. Al Reynolds, 11 Woodlawn Drive - Mr. Reynolds asked what the Supervisors are doing to revoke and remove the 390' tower. Mr. Wynn replied that the tower is 360'H and that an appeal has been filed by a group of residents to the Zoning Hearing Board. In answer to Mr. Reynolds questions regarding a provision that this does not occur again, Mr. Wynn replied that it would require a change in the Zoning Ordinance and that procedures for amending the Zoning Ordinance are established in Article X of the 1983 Zoning Ordinance.
2. Mr. Reynolds and Mr. Robert Maxwell (a resident of Woodlawn Meadows) further questioned the distribution of pamphlets to residents of Blooming Glen by Life Abundant, an organization in Doylestown. The pamphlets described a program for rehabilitation of criminals and indicated their intention to rent premises in the post office building, across the street from the Township Building. Mr. Wynn indicated that he would contact the organization, since there has been no application for permits, etc. made to the Township.
3. Mr. Carl Wagoner indicated that the Hilltown Township Town Watch organization would like to publish a news letter. Because of prohibitive mailing costs, he requested that the Township also publish a news letter and they be mailed together. The Board informed him that because of lack of personnel and great expense, this would not be possible. However, Mr. Grunmeier stated that a Supervisor could be available at the Township Building on the third Saturday of each month (February, March, and April) from 11:00 A.M. to 1:00 P.M., to discuss any concerns the residents may have. Mr. Wynn will advertise this notice in the newspaper.
