Mr. Spanninger read a letter from Mr. Grabowski re the financing of the sewer project. Initial funds are expected to be received by the sewer authority by the end of June so the supervisors were requested in the letter to ask the bank to defer payment of any interest payments until July. Mrs. Gutekunst is to contact the bank and write a letter to Mr. Howard Gehman with a copy of Mr. Grabowski's letter enclosed.

Request will be made to the Board of Health to have Mr. Moyer's well tested.

A resolution was signed and adopted setting the application fee for a site development plan at \$100.00 and the applicant has to agree to be responsible for and obliged to pay all legal and engineering fees above original application fee.
