

Hilltown Township Supervisors Meeting

March 8, 1976

The meeting was called to order by the Chairman, Dale Hartshorne.

Because of the large number of people at the meeting in reference to a proposed gun ordinance, we heard their pleas before having our business meeting. The group had been misinformed and thought we were considering an ordinance banning all hunting in the township. After hearing from quite a few of the persons present, Dale Hartshorne suggested they have a meeting and present their input into drafting a gun ordinance. Dale offered them the use of the township building and they decided to have a meeting next Monday, March 18th, 7:30 P.M. in the township building.

Bids were then opened for stone, oil, police vehicles. No bids received for fuel oil and gasoline for the trucks and cars.
