

Hilltown Township Supervisors Meeting

May 12, 1975

The meeting was called to order by the Vice-Chairman, Paul Frankenfield as the chairman, Dale Hartshorne, was unable to be at the meeting due to a business appointment.

The treasurer's report was read by Mrs. Gutekunst and approved by Feryl Spanniger and seconded by Paul Frankenfield. The bills were presented for payment and Mrs. Gutekunst was asked to show the bill from the Bucks County Planning Commission in the amount of \$500.00 to the Hilltown Planning Commission before paying same. All other bills were approved for payment by Feryl Spanniger and seconded by Paul Frankenfield. The minutes of the previous meeting were approved by Feryl Spanniger and seconded by Paul Frankenfield.

At a previous meeting a discussion was held on erecting dog kennels for use by the police for stray dogs, etc. A motion was made to rent five dog kennels from William Leyden at a cost of \$70.00 a month. No lease will be drawn up so that the arrangement could be terminated either by Mr. Leyden or the township if deemed necessary.

As our next regularly scheduled meeting would fall on May 26th which is a holiday, Mrs. Gutekunst was asked to advertise change of this meeting to June 2nd and the regularly scheduled meeting of June 16th to June 23rd.

A motion was made by Feryl Spanniger and seconded by Paul Frankenfield to have Chief Boose order an outfit for a crossing guard at Route 113 and Blooming Glen Road so that come September we could institute this protection.

A notice was received about a 12 year planning program for highways and bridges about which a meeting will be held sometime in June. Same was given to Paul Frankenfield so that when definite date for meeting is given, he can plan to attend.

Representatives of Clemens Supermarket were present at the meeting to present a request for a change in zoning for a piece of property which they would like to sell. This is an unconforming lot, which it was when added onto the Clemens property. They were asked to get a letter from Mr. Baker, a neighbor, that he would not have any objection to this small piece of property which has a house on it being sold.

Mrs. Gutekunst reminded the supervisors that they are all invited to attend the housing of new equipment at the Line Lexington Fire Co., Friday evening, May 16th, 7 P.M.

A Seminar Series will be held in Newtown -Bucks Co. Community College on June 6th and Mr. Heidrich will attend as this is a seminar on the 1975 B.O.C.A Building and Plumbing Codes.

A Seminar on Budgeting and Municipal Management will be held at the Hilton Hotel in King of Prussia on June 4th and 5th. Mrs. Gutekunst will attend at least one day and if possible both days.

Mrs. Gutekunst reported several resolutions and ordinances discussed at previous meetings which have not been resolved. On Sept. 9th it was decided to add an amendment to our ordinance 70-1 on move-in and move-out permits. Mr. Wilson will follow up on this matter. On Feb. 4th a statement was made by Mr. Wilson that our resolution on flood plain areas should be an ordinance. Mr. Wilson still is waiting on more clarification on these areas.

A copy of a proposed draft of agreement between the Supervisors of Hilltown Township and Mr. Charles Mager was given to each supervisor for study. Awaiting word from Mr. Mager and his attorney on acceptability of same.
