After a lengthy discussion, the amendment to the dog ordinance was signed by the supervisors. However, further study is to be made on this ordinance based on suggestions from interested citizens and the Bucks County Planning Commission. Mr. and Mrs. Luedke were present at the meeting inquiring as to whether this new ordinance would be retroactive as they have quite a bit of disturbance from kennels near them. Advice was given that perhaps something could be done by them on the basis of nuisance and noise.

Mrs. Gutekunst was asked to write a letter to Mr. Hockman and send along a copy of Mr. Leister's report relative to the possible changes which could be made when he tills his fields. Mrs. Wilson was present at the meeting and a copy of the report and blueprint prepared by Mr. Leister were given to her.

Dale Hartshorne reported that the Commonwealth Court affirmed the lower Court's decision and the Zoning Board's decision that a variance should not be granted to J. Richard Fretz, *Blue School Rd.*

The Deed of Dedication for Meadow Drive in Clearview Estates was signed and a maintenance bond of \$3500.00 was received for maintenance of 1 year.

A letter is to be written to the Board of Assessment regarding the adding and deleting of some roads from the Official Map of roads in Hilltown Township.
