

Hilltown Township Supervisors

Special Meeting

September 16, 1974

The meeting was called to order by the Vice-Chairman, Dale Hartshorne.

Agenda for meeting being as follows:

1. Decision on H. & K. Materials
2. Contaminated Wells
3. Remedial Strip- Route 113
4. Opening bids received on repaving Reliance Road.

After reviewing all the testimony of the six nights of hearings on the petition of H. & K. Materials, a decision was reached to deny H. & K. Materials "special industrial zoning".

Mr. Hartshorne reported he had received a phone call from Mr. Thomas Salvadore of the Bucks County Health Dept. in response to the letter written by Mr. Hartshorne to Mr. Salvadore. The problem of the contaminated wells has been turned over to a Mr. Al Wells of Nashaminy Manor Court. A detailed study will be conducted on this matter.

Feryl Spanninger read a letter received by the supervisors from Penn Dot denying the request to have the remedial strip removed on Route 113 at Hilltown Plaza. There were quite a few residents of that area present at the meeting. Mr. John Konyk, owner of the shoe store on Route 113, presented a copy of a telegram he sent to Governor Shapp concerning this problem. Mrs. Gutekunst was instructed to call Kimco Corp. of Roselyn, N.Y. asking for a meeting between their engineer and interested parties. Chief Boose should also have available the number of accidents reported in that area since this remedial strip was installed by the state.

Bids were opened for the repaving of Reliance Road. Bids received were as follows;

1. Allen Myers	\$33,489.40
2. Drum Construction	33,913.00
3. P.K.Moyer & Son	41,382.00
