Route 113 (Souderton Road)/Minsi Trail Safety Improvements
Hilltown Township, Bucks County

Dear Lorraine Leslie:

The Pennsylvania Department of Transportation (PennDOT) is planning engineering design on a project to improve safety at the Route 113 (Souderton Road) and Minsi Trail Intersection in Hilltown Township, Bucks County, by constructing a single-lane roundabout.

As part of the PennDOT's public outreach program, the department and its project design firm, HNTB Corporation, cordially invites you or your designated representative(s) to attend a virtual Public Meeting on Thursday, January 12, beginning at 7:00 PM to update citizens on the status of this safety improvement project and to address their questions and receive feedback.

For more information, and for instructions on how to attend the virtual meeting, please visit the [Route 113 \(Souderton Road\) and Minsi Trail projects page](#). To find this page please conduct an online search using "Route 113 and Minsi Trail Projects Page"

The department looks forward to your participation and input on this transportation improvement project. If you or one of your representatives are unable to attend, please inform us if you would like a briefing at another time. Should you have any questions or need additional information prior to the upcoming meeting or have special needs requiring assistance, please contact PennDOT Project Manager Vince Cerbone at 610-205-6778 or design project manager Nathan Parrish at 610-290-5112 or nparrish@hntb.com.

Thank you for your time and consideration, and continued support of the department's transportation improvement program.

Sincerely,
