

**Frankford Avenue Safety Improvements
SR 0113, Section SIP
Hilltown Township, PA
MPMS # 115418**

May 10, 2021

PURPOSE

The purpose of the project is to improve the efficiency of intersection for the traveling public via vehicular means.

NEED

The needs for the project include:

- There is a high number of vehicular accidents at the intersection.
- The intersection has a history of angle crashes.
- Within the five-year period of January 1, 2013 to December 31, 2017, 26 out of the 35 reported crashes were angle crashes.
- This intersection is on PennDOTs Highway Safety Network Screening (HSNS) Urban Intersection list as one of the top candidates for the Statewide Highway Safety Improvement Program (HSIP).
